

Distribution **Electronic Assembly & Solder Supplies**

Our highly-trained and courteous Customer Service Representatives (CSRs) are available from 7:00 am to 5:00 pm CST, Monday through Friday. They work closely with our outside team to meet your needs and exceed your expectations! Our CSRs will assist you in placing orders, obtaining quotations, and checking on purchase orders. Whether you need one item, or a competitive quotation on your tool crib list, your friendly CSR has access to the resources and the tools to get what you need, when you need it, and at the right price.

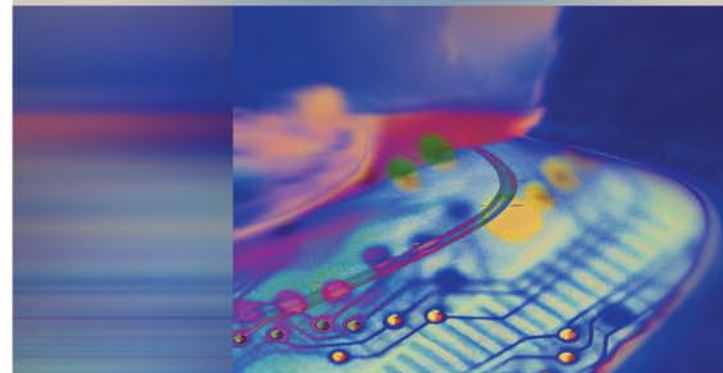

For more information please contact our Customer Service Representatives at (800) 858-0604, Fax (888) 650-3006 or sales@stielectronicsinc.com

Woman Owned Small Business

Distribution Electronic Assembly & Solder Supplies

STI is a distributor for over 100+ different product lines supporting the electronics industry. As a complete source for all your business needs, we carry a diverse array of products ranging from solders, fluxes, solvents and chemicals to ESD protection products. We stock several lines of soldering, desoldering and rework/repair equipment along with consumables and accessories.

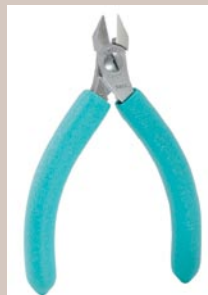

We also stock video inspection systems, hand tools, chairs, and workbenches.

Hot Air Rework Station

Hand Tools

Video Inspection System

Defluxers/Degreasers

Stencil Cleaners

Placing orders with STI is easy! Sometimes, you may not know the part number or the manufacturer of an item, which can be a problem with most distributors. We'll work with you, do the research and get the right information on the product you are looking for. We will provide free quotations, with no obligation to buy. We'll even guarantee the price for thirty days! When you submit an order, be assured that it is processed immediately and accurately. We are able to take orders via telephone, email and fax for your convenience. With our on-site product warehouse, we can assess stock availability and accurately check on the status of your order. We offer you value-added services that are flexible enough to suit any company, small or large.

Multi-Functional Rework Systems
